To whom it may concern:

We use enrollment and low income figures supplied to National School Lunch Program to determine our percentage of low-income students. Our total enrollment was 122 and we had 115 Free and Reduced lunch eligible students.

We have attached one monthly NSLP claim form, signed by a school official, which includes the following information:

- a. The entity name
- b. The total number of students enrolled at the entity
- c. The total number of students eligible for participation in the Free or Reduced Lunch Program for the entity

"I certify that only those students who meet the Income Eligibility Guidelines of the National School Lunch Program have been included in our completed for 471."

Thank You
